Affordable, Great for Volunteer Builds

Affordable structure prices from \$3,999 - \$9,999

Easy Set UP

UPlay Today™ is the commercial play solution for play spaces where residential equipment is not appropriate

- Churches
- Preschools & Daycares
- Apartments
- Any Supervised Play Area
- Age Appropriate for ages 2-5 and 5-12 years

Two Color Palettes

Playful

Natural

Ground Mounting Options

No digging or concrete required

Ground Spike / Surface Mount

Included with all structures
(Not recommended for sandy or loamy soil conditions)

Anchor Bolt / Surface Mount sold separately

Concrete / In-ground Mount sold separately

Site Preparation

Review the area where your playground will be placed for:

- Space Available
- Facility Access
- Traffic Flow
- Flat Surface Area (*Less than 2% grade*)
- Tree and Utility Line Clearance

Space Configuration

Use the automated configurator at uplaytoday.com to plan your custom play space!

- Measure your site
- Choose the angle that best fits your structure
- Choose freestanding items and their placement

WARNING – Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

How it Works...

UPlay Today™ simplifies the playground purchase process while providing several options to allow customization of your structure.

UP & Away

AGES 5-12

Color it UP

Choose from two color combinations

What's UP

Age Group: 5-12

Dimensions: 34' x 14'

Deck height: 4' & 6'

Activities: 10 events

Use zone: 46' x 27'

Capacity: 20-30 kids

Space Saver

Dimensions: 22' x 19'6"

Use zone: 34' x 32'

Must use Vine Climber for Space Saver Configuration

Optional Space Saver Top View

Why buy UP & Away?

UP & Away Triple Deck Play System

- Three towers with 6' and 4' slides and climbers
- Fits into long, narrow play spaces
- Value priced for a large church, apartment complex, or community center
- The Space Saver version creates a smaller use zone, which means less surfacing to purchase
- Save on installation by doing a community build of the UP & Away
- Meets ADA requirements

WARNING – Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

Add-on Equipment enhances the fun of your Play System...

Bench Panel

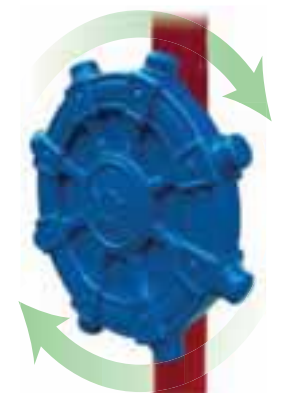

Add a Bench Panel to the structure anywhere there are two unobstructed upright posts. It provides seating and a social spot for adults and children.

Model	Description	Bench	Clamps
02-07-5014-YLW	Playful	Yellow	Red
02-07-5014-GRN	Natural	Green	Beige

Post-Mount Ship's Wheel

Add a Ship's Wheel at ground level anywhere there is one unobstructed upright post. Kids will imagine their play day into a sea voyage!

Model	Description	Wheel	Clamps
02-07-5021-YLW	Playful	Blue	Red
02-07-5021-GRN	Natural	Beige	Beige

Single Drum and Rain Wheel can mount on the same post

Drums & Rain Wheel Set

Add an extra set of these popular below-deck activities anywhere there are two unobstructed upright posts. The drums actually have different sounds of bongos and a deeper drum. Spin the rain wheel and listen to the sound of a spring rain shower.

Model	Description	Drums/Wheel Colors	Clamps
02-07-5009-YLW	Playful	As shown	Red
02-07-5009-GRN	Natural	As shown	Beige

WARNING – Installation over a hard surface such as concrete, asphalt, or packed earth may result in serious injury from falls.

- Colors as shown below
- Assembly and in-ground installation is required
- 3'6" wide x 11'6" long x 7'6" high
- Use zone: 24' x 16'

Safety Surfacing

Green Rubber Tiles

- Allows for individual tile replacement
- Green recycled rubber material
- Meets ADA requirements and impact attenuation for 72" fall height
- Beveled edges, corners and glue also available

Model	Description
02-07-0071-GRN*	24" x 24" x 2-1/2" Rubber Tile
02-07-0072-GRN	Rubber Tile Bevel Edge Piece
02-07-0073-GRN	Rubber Tile Corner Piece
02-07-0074-GRN	Rubber Tile Glue (4 Gal. Pail)

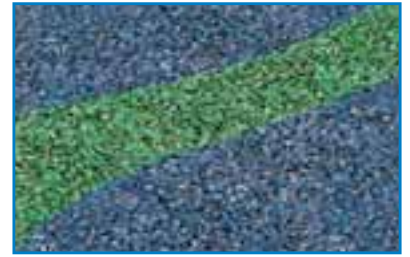

* Meets 6' impact attenuation

Engineered Wood Fiber

- Manufactured from engineered, non-toxic, crushed wood fiber
- Once settled, forms a "knitted" or compacted layer that will support wheelchairs, crutches, walkers, etc.
- It does not utilize any wood containing paint, chemicals or additives
- Has minimal bark and is free of twigs, leaf debris and other organic materials
- Easily installed by volunteer labor, as well as by an installer
- The most economical surface choice, but will require more maintenance and occasional topping off to maintain the recommended depth, and remain compliant with standards and warranty
- Call for a custom quote for your play space

Poured-in-Place

- Attractive, resilient, seamless two-layer surface that is slip-resistant and accessible
- Available in a variety of colors that can be combined to create inlaid designs and graphics
- Thicknesses are specified to meet critical fall heights found within the playground
- Installation must be performed by certified installers
- Involves a higher initial investment, but requires less maintenance over the life of the product
- Porous to allow free flow of water
- Call for a custom quote for your play space

Border Timbers

- Retain loose fill safety surfacing
- Easy to install
- Includes one spike each
- Made with 100% recycled materials

Model	Description
02-07-0075-BLK	4' x 12" x 3" Border Timbers
02-07-0076-BLK	4' x 8" x 3-1/2" Border Timbers
